Tim,

Hope you had a good weekend. I made some edits in the attached. Take a look for now and we can discuss when I get in the office later this morning.

Thanks,

Scott

Hi Scott,

Here's a revised version of your document (and thanks much for that first pass!) with some additional language/info. Likely there is more than needed in my version and too, I would need to check into the current format for Callie's briefing documents.

Please see what you think and do add any edits/comments/suggestions.

Think when we get it in better shape we'll need Carl's, Sara Lauman's, and maybe the NEPA program's review.

Thanks!

Tim
